26 pages for 26 million people: Aylsham High School Sponsorship Form

To help raise money for the United Nations High Commissioner for Refugees (UNHCR) I will be reading 26 pages of a book written from the perspective of a young person in Afghanistan. UNHCR help millions of people to restart their lives after being forced to leave their country of origin.

Each page I will read represents one million of the 26 million refugees around the world in 2022.

You can sponsor me for one page, a series of pages, or all 26.
